

WEEK 4

CONVERSATION GUIDE

Wrong Right

THIS SERIES

There are injustices all around us. We see injustice in big ways, in small ways, in the world around us, and in our own experiences. In this 4-week series, you'll help students see that God cares deeply about fighting injustice. Then you'll help them discover how they can **respond in Jesus' name to injustice by working to right the wrongs they encounter in their lives, their world, and even in their own hearts.**

THIS WEEK

THE BIG IDEA

When we fight for justice,
God says we're blessed.

THE BIBLE

Matthew 5:3-10

- **What's one way you are "blessed"?**
- **On a scale of 1 - 10, how blessed do you feel compared to the rest of your school? The rest of the country? What about the rest of the world? Why?**
- **How is Jesus' definition of "blessed" different from most people's?**
- **Be honest. Which of these three groups do you most identify with: people in need, people meeting needs, or people concerned with their own needs?**
- **How can we become more concerned with the needs and injustices of others?**
- **What's an example of a need or injustice in your school? Your community? Our country? The rest of the world?**
- **What's one way we are blessed when we fight for justice for others?**
- **What can you do this week to fight for justice on behalf of someone else?**
