

WEEK 2

SMALL GROUP GUIDE

SINCERELY
God

THIS SERIES

The Bible. We all know reading it is important (or at least that's what we've been told), but if we're being honest, we probably don't give it the time or attention we know we should. Sometimes we avoid Scripture because it seems boring or irrelevant. Other times we avoid it because it's too time-consuming, inconvenient, or maybe even convicting. So how do we change that? In this 4-week series, you'll encourage students to both see and engage with the Bible in a new way as you help them discover that the Bible **is a love letter, a guide, an invitation**, and something that's **meant to be lived (not just read)**.

THIS WEEK

THE BIG IDEA

The Bible is a guide.

THE BIBLE

Matthew 24:35; Hebrews 4:12
Psalm 119:105

- **When you need advice or guidance, where do you go?**
- **How confident are you that the advice you receive is good advice?**
- **What's one area of your life where you wish you had more reliable advice or guidance?**
- **Has a passage of Scripture ever felt "alive" to you? Tell us about it.**
- **What's one way we can keep God's Word alive in our hearts and minds?**
- **Has a passage of Scripture ever felt "sharp" to you? Tell us about it.**
- **What's an example of something God's Word can heal us from?**
- **Has a passage of Scripture ever felt like a mirror to you? Tell us about it.**
- **When God's Word reveals our flaws or imperfections, how should we respond?**
- **Read Psalm 119:5. What's one area of your life where you need guidance right now? How can Scripture help?**
- **What's one step you're going to take this week to spend more time turning to the Bible for guidance?**
