

WEEK 3

SMALL GROUP GUIDE

MORE THAN A HASHTAG

THIS SERIES

Our world is not as it should be. There is pain, evil, and injustice all around us. In the age of social media, it is easier than ever to stay informed about all sorts of injustices, but is sending a tweet, posting a selfie, or sharing a video about an inspiring cause really all it takes to make a difference in the world? Or is it possible that justice is about something much more than a hashtag? In this 4-week series, you'll challenge students to not just post about the injustices around them, but to actually **do something** about them by **loving mercy**, **acting justly**, and **walking humbly**.

THIS WEEK

THE BIG IDEA

Act justly.
